YOUTH SPORTS

As our youth basketball clinics and travel basketball programs wrap up another successful season, we are filled with pride and gratitude for the incredible journey we've shared together. From the first dribble to the final buzzer, our young athletes have demonstrated determination, teamwork, and a passion for the game that has truly been inspiring to witness. We are looking forward to our spring sports seasons starting soon!

50+ CLUB

Although the shortest month of the year, it did not lack on experiences! Our group enjoyed monthly mystery trips for breakfast and lunch! We joined Portland Rec for a special outing at Merrill Auditorium for Elvis Live! February would not have been complete without a Valentine's Day celebration, where we enjoyed a Karaoke Luncheon! We ended the month with BINGO at The Ballpark where everyone took home a prize!

EARLY RELEASE CARE

Our recent field trip to the Children's Museum and Theater of Maine was an adventure filled with wonder, excitement, and discovery! From interactive exhibits to hands-on activities, our young explorers immersed themselves in a world of imagination and learning, creating memories that will last a lifetime.

FEBRUARY VACATION CAMP

We can't help but reminisce about our fun week of vacation camp! We played unlimited games at Chuck E. Cheese, enjoyed pizza & a movie at Smitty's and faced our fears with Mr. Drew and his Animals Too, learning about & holding snakes and tarantulas! We had a great week and can't wait for April vacation!
